

Appreciate your Associates!

Cheap and easy

- Resort Experiences! Provide the opportunity for your associates to experience the same activities we offer our guest! - See page 2 for more details.
- Thank you, cards. - Make it a personal goal to write 5 a week. Make sure you are paying attention to what is going on so you can call out a specific thing to say 'thank you' for. If you need help finding note cards, let us know. The Resort will cover the cost.
- Pitch-in meal - Pick a good day and time and have your staff bring a dish! Choose a theme, make a sign-up sheet or not, keep it fun! If your department doesn't have room, we can reserve a meeting room!
- Candy or treats - Bring in a bag of mini-Snickers and make sure everyone knows they are for them!
- Board games - Have them all bring a game and form teams! If you need a room reserved, let us know!
- Group giving - Pick a charity your team could help with. Collect canned goods, make backpacks for soldiers, build a house with Habitat - whatever your team is passionate about!

Off-property activities- suggestions

You could organize these off-the-clock things! The Resort will not provide transportation or any money for the activity. The associates would provide their own (this way the Resort is not liable). The activity is volunteer basis only (you cannot make anyone participate) and should be viewed as a teambuilding experience but could also be a significant other/family activity as well.

The AAC is happy to make a call or send an email to arrange a group rate or check availability for you!
